**New Business:**

*Marcille Jensen Donation:*

Grafstrom informed the commission; their portion of the donation is approximately \$53,000. Williams and Tibbetts would like to use the funds to pave the roads in the cemetery. Tibbetts will get estimates.

*Rates*

The committee reviewed the rates in comparison to neighboring cities and found them to be comparable. They reviewed the cost of a burial to the city and verified the city's costs are covered. They will leave the rates the same as they are at this time.

*Cemetery Ordinance*

The Commission is looking to update the ordinance to include above ground burials of cremated remains as long as they are in a columbarium of no more than 4 niches. Grafstrom will draft something for the next meeting.
