Organics Recycling

The City of Lake Crystal partners with Mankato Zero Waste (MZW) on an organics project to recycle food waste. This service offers those without space to compost a place to do so. Items are accepted at the drop-off site that often can't be added to backyard compost, such as--meat, bones, dairy and bakery products, food-soiled paper products, pizza boxes, eggs and paper egg cartons, to name a few. Organics drop-off locations are open during daylight hours.

Starter kits—that contain bag samples and coupons are available at City offices 100 East Robinson Street. Household organics can be dropped off in the designated dumpster at Lake Crystal's City Shop (132 South Lilly Street). A key is required to access the dumpster. There is no fee to use the organics recycling facilities.

Participants can register by calling City offices at (507) 726-2538.

---

**NO**

**YES**

Please follow these guidelines carefully:

No need to remove stamps, address labels, tape, paper clips, staples, wire, metal fasteners, rubber bands, spiral bindings, caps, lids or plastic tabs.

Please flatten all cardboard boxes. Empty and rinse all containers.

Recycling Questions: 507-625-1968

---

Golf Cart Permits are REQUIRED!

To obtain a permit you will need to fill out an application and provide a copy of insurance, valid driver's license and a $15/year fee as per City Code Chapter 73.

For more information or an application please visit our website at www.ci.lake-crystal.mn.us or stop at City Hall.

---

Lawn Care Reminder

To comply with city ordinances, please remember to keep lawns less than 12 inches high, and to mow at least once every three weeks.

Depositing grass clipping and lawn debris into the street is also prohibited.
