2018 Robinson Park Improvement Projects
As part of a collaborative effort to invest in Robinson Park, multiple improvement projects are scheduled to begin soon and be completed by November 2018. These improvement projects will provide increased access to the park, replace aging infrastructure and structures, comply with the Americans with Disabilities Act, and restore and improve natural resources. The projects include:

- Restroom Demolition & Construction
- Paved, ADA Trail Construction
- Native Plant Garden

Funding is provided by the City of Lake Crystal, State of Minnesota Outdoor Recreation grant program, Crystal Waters Project, Crystal and Loon Lake Recreation Association, Nicollet Conservation Club, and Hewitt Machine & Manufacturing, Inc.

The duration of the projects is highly dependent upon good weather. Please help us maintain a safe work zone by staying clear of construction zones, temporary fences and barriers. Some of the park will be inaccessible during construction. We apologize for this inconvenience.

Please do not hesitate to contact City offices at 507-726-2538 with any questions or concerns. Contact the Police Department at 507-726-2056 if you observe any suspicious activity.

The City of Lake Crystal and its partners thank you for your cooperation and support of these projects.

WATER/SEWER SERVICE LINE INSURANCE POLICY
The City of Lake Crystal encourages property owners to check with their home or property insurance provider on coverage for water/sewer service lines. Repairs to these service lines are the responsibility of the property owner and can be expensive. A water/sewer service line insurance policy will protect you in the event of needed repairs.
Energy Efficiency Rebates
Lake Crystal Municipal Utilities offers a variety of rebates for both residential and commercial customers who install energy efficient appliances, equipment, and lighting.

Rebate forms are available at City Hall or online at www.lakecrystalmn.org
