HeatShare is a voluntary program that helps the needy survive our long, Minnesota winters by providing funds for heating bills and heating-related repairs.

You can help give the gift of heat by sending a tax deductible contribution with the form below.

♥ You can make a difference!

From Cold to Warm

From Hands to Hearts

Some of your neighbors will be cold this winter.

You can do something about it.

Call The Salvation Army at **1.800.842.7279** for additional information.

**Yes!** I want to give my neighbors the gift of heat this winter season.

☐ I am making a one-time gift of:

$____________________

Name__________________________

Address________________________

City/State/Zip____________________

Signature_______________________

Utility Company__________________

Account Number__________________

Date___________________________

Please make checks payable to HeatShare. Enclose your donation and this form along with your utility payment.

Thank you for your kindness.

Your gift will be used to benefit the needy in your community.
