Utility Happenings!

➢ Welcome Taylor Cronau, City Administrator. Taylor began work with the City on June 24th.
➢ Currently we have 129 customers signed up for Load Management. Testing has begun and installation on those customers signed up will begin in the next few weeks. If you have not yet signed up, please consider doing so, this is an important step for LCMU in lowering the overall demand and as the customer you will receive a small credit on your utility billing.
➢ CIP rebates are still available!! Rebates on LED lighting, select appliances, and AC Tune Ups.

Refuse and Recycling Rate Increase
Per the City’s contract with Waste Management the new rates for the upcoming year are as follows:
Recycling - $5.69
Refuse - $12.02
Solid Waste Tax on Refuse $1.17

These rates will take effect July 1, 2015 and reflected on the August 16, 2015 billing.

Lawn Care Reminder
To comply with city ordinances, please remember to keep lawns less than 12 inches high, and to mow at least once every three weeks.

Depositing grass clipping and lawn debris into the street is also prohibited.
